

ROADE YOUTH GROUP

MISSION STATEMENT

Roade Youth Group will, with the involvement of the youth of the village, identify suitable premises for the establishment of youth lead involvement activities and project initiatives, with its own defined mission statement and objectives.

Roade Youth Group will work with and on behalf of the youth of the village by engaging in networking and forming local community partnerships to define the design, business parameters and the policy under which the premises are to operate.

Roade Youth Group will support the youth of the village in the fundraising for the project and the promotion of the ideal. RYG will on behalf of, and in partnership with, the youth of the village identify funding and revenue streams to ensure the long-term survival and sustainability of the amenity.

Roade Youth Group will through engagement and interaction with established youth bodies and organisations identify and address any deficiencies in training or skills required by volunteers, trustees and facilitators.

Roade Youth Group will through active involvement work with the young people of the village to help them develop life skills confidence and respectability, specifically those who are rurally isolated, disabled, at risk of involvement in crime, and those of a minority ethnic group or with mental health issues, and give them the opportunity to contribute to the whole community in a meaningful way in appreciating the needs of the individual, and in supporting the local community.
