

ROADE LOCAL HISTORY SOCIETY

RLHS have been organising events related to local history since May 2005. These normally cover Roade and its environs and sometimes the wider county. A feature of events has been 'Sons and Daughters of the Village': presentations by residents, past and present, who have created history in their lifetime or have interesting reminiscences about their life in Roade. Events take place every month (except August) and start at 7.30pm in St Mary's Church Hall, unless otherwise stated. Non-members are very welcome. Entry is £2 per person for non-members or £1 for members and refreshments are available. Membership is available to everyone and runs from 1st May at £5 per person or £7.50 per couple. The Hall is installed with an induction loop system for hearing aid users.
